Ordering Information

To assist us in processing your parts order(s) smoothly and getting to service you quickly through shipping your order(s) in the shortest time possible, we kindly request observance of the following points:-

- 1) Provide information on your GB model and hull number (i.e. GB42CL, GB42E or GB49MY and followed by the hull number). Specify year of delivery if available.
- 2) Give full description of parts and quantity required. In a case when the parts you need do not appear in the catalogue you may elaborate on its location or provide pictures or specify relevant details. Such information will enable us to understand your needs and thus increase our service efficiency.
- 3) If you are ordering engine spares, it is important that you specify engine make and serial number, engine horsepower and gearbox serial number, part number and ratio.
- 4) Specify shipping address and mode of shipment clearly.

Terms and Conditions

- 1) Our shipments to you are not insured unless instructed otherwise.
- 2) Goods sold are non-returnable unless we acknowledge that goods have been sent in error.
- 3) When mode of shipment is not specified delivery will, at our discretion, be made by the most economical method depending on the size of order or shipment and circumstances prevailing.
- 4) American Marine shall not be made responsible for delayed deliveries due to unforeseen circumstances.
- 5) All shipments will be sent on a freight-collect basis. For goods going via air-parcel-post, charges are normally collected prior to despatch.
- 6) American Marine reserves the right to change materials used and make modifications to existing designs.
- 7) Payment Terms: Cash in Advance through Visa or Amex Cards. Payment by checks are also acceptable.

Limited Warranty

American Marine (S) Pte Ltd warrants the products describe herein, manufactured by American Marine, to be free from defects in material and workmanship for a period of 6 months from date of shipment by American Marine under normal use and service.

Our sole obligation under this warranty being limited to replacing the defective part partially or as originally supplied.

This warranty shall not apply to parts or products not manufactured by American Marine, the warranty of such items being limited to the actual warranty extended to American Marine by its supplier.

This warranty shall not apply to any product which has been subject to wear and tear, mishandling, abuse, negligence, accident, misapplication, altered or repaired by others than American Marine.
